Notes

- Please send in handwritten notes to inform me of any transportation changes. Changes sent over email may not be seen in time.

Take Home Books

- In kindergarten I do not specifically assign written homework, but EVERY night I will send home reading. Please read with your child EVERY NIGHT.
- Please send your child's book back to school every day in the Ziploc bag WITH the reading log inside.
- Every morning your child will return his or her reading log to their book box.
- Make sure it is your child's responsibility to put the reading bag back in his or her backpack.

Morning Routine

- Unpack backpack in “cubby order.” Bookbag, then lunchbox, then snack at the front.
- Put Cougar Folder in the basket
- Put Book Baggie back in bookbox
- Work in Good Morning Book

Snack and Lunch

- Pack a healthy snack
- Lunch is not a very long time (30 minutes)
- Only pack things you want your child to eat.
- Send items in containers your child can open. (Practice opening at home.)
- Birthday treats may be passed out by parents/ guardians at lunch.
